From the Factory

Dear TBM enthusiast,

This spring has been extremely busy and exciting at the factory, beginning with our expansion of the TBM family – **officially unveiled on April 5** – followed by our preparation for the many events and airshows during the year.

We are pleased to see that a steady stream of TBM 900s and TBM 930s have left the factory since the beginning of the year, with most of them heading west and some heading east into central Europe. (...)

History

The Lapwing takes off in Bigorre

This could just as well have been a coded message broadcast from London by the BBC during World War II. In reality, it was just the

epilogue to a long story that began during this conflict. (...)
